**KUNDERD'S EASY TO GROW ROOTS  
FREE-BLOOMING THE WHOLE SUMMER LONG**

The Hardy Garden Phlox, with their long blooming season from June to October, their bright showy colors, enormous heads on strong erect stems, make them one of the most outstanding Perennials of the Garden. We offer in this collection this year all favorites that will produce, tried varieties, at money saving prices, you cannot afford to miss.

**SOLD ONLY IN COMPLETE COLLECTIONS AT THIS SPECIAL PRICE.**

**ROSY BLUE** — Very large florets, with a base color of blue intermingled with rose. Mixture of colors hard to beat.

**R. P. STRUTHERS** — One of the most popular Phlox grown today. Rosy red with a rich scarlet eye. Free flowering, large florets.

**FLASH** — Richest scarlet red color, a variety that will brighten up any garden. One of the best new varieties.

**VON LASSBURG** — Pure white without markings. This variety without any doubt is one of the finest on the market today.

**DAILY SKETCH** — A favorite brilliant salmon pink with a carmine eye. Gorgeous massive blooms and trusses. Extra fine.

**SPITFIRE** — Richest salmon orange flowers with an intense crimson eye. One of the newest colors in Phlox.

**PRIME MINISTER** — Purst white with a very rich scarlet and crimson eye. One dependable variety of note.

**AMERICAN BEAUTY** — Glistening clear rose pink. The flowers are pure rose without any shadings of any description.

**ACIDANTHERA FRAGRANT  
GLADIOLUS**

Florets creamy white, with a heavy blotch of chocolate brown on lower petals. Very heavy and delightful fragrance. Corms are 1/2 in. to 1 in. in diameter. Requires a stiffer soil than the tender Species of Gladiolus. Flowers in early October. May be grown in pots or in the open field. Plant same as you would other Glad bulbs. Dry as soon as lifted to prevent rot.
